

## THE TRIDUUM

The services of Maundy Thursday, Good Friday and Holy Saturday form the Triduum, The Great Three Days. These services, in a sense, form one great continued service. The Triduum highlights the Passover, Crucifixion and Resurrection of Christ. At these services the accent is on freedom out of slavery, life out of death and light out of darkness.

## WORSHIP NOTES

Luther’s questions and answers for those who intend to go to the sacrament are found on pages 329-330 in your hymnal. Prayers for before and after worship and communion are on the inside front cover of the hymnal.

Both the common and individual cups will be used this evening. If you desire an individual cup, take it from the tray as it passes by you. If you prefer the common cup, do not take an individual cup and you will be communed with the common cup. If you are communing with an individual cup, please hold it until the chalice has passed by you. If you are communing with the common cup, it is helpful if you grasp the base of the chalice to guide it to your lips.

Jesus’ body and blood is for the forgiveness of sins. We celebrate this gift today as a community of LCMS members. Please speak with the Pastor or an Elder if you have not knelt with us at the Lord’s Table before. Please register your communion attendance in the fellowship folder in your pew.

If you are not communing, you are invited to come forward for a blessing. Simply cross your arms over your heart to indicate your desire for a blessing.

Thank you to the participants in tonight’s portrayal of the Last Supper.
